PRESIDENT'S MESSAGE

BY RHONDA COGGINS, DACA PRESIDENT

Hello Compliance Professionals.

Although the calendar insists September is almost here, the triple-digit heat lingering across Texas tells a different story. Many of us are still navigating scorching afternoons, high energy demands, and the hope that fall temperatures will arrive sooner rather than later. With heat advisories still lingering, many of us are hoping to have a little less heat in our daily routines.

Of course, compliance work rarely cools down. Regulatory updates at both the state and federal levels continue to roll out, and staying ahead of them often requires the same mindset as a good detective: following the clues, spotting patterns, and piecing together what regulators expect before the full picture is officially revealed. Our upcoming meeting will focus on these state and federal developments so that you can understand what's changing and prepare for the adjustments ahead.

For our September General Meeting, we are happy to have a returning speaker, Apryl Salazar. Many of you have heard Apryl present in prior years, as part of an IBAT presentation. What you may not have heard is that earlier this year, Apryl was promoted to President of IBAT Performance, Inc. Her insights into important regulatory clues will help you remain proactive and focused on what matters most for your institution.

I hope to see you at this in-person General Meeting that will be longer than our typical meetings. We'll have a great lunch, time for networking, and you'll walk away with a few fun things to help you be a good detective!

Best regards, *Rhonda*
